A smartly designed bathroom, distinct yet flexible enough to match and enhance every environment... Stylish and affordable, Form 300 is a perfect example of VitrA quality. Equally at home in residential and public settings, Form 300 looks its best wherever you want to see it.

Form 300 washbasins come with trap covers or pedestals to meet different requirements. The specially designed toilet seat of the close-coupled WC pan adds style to your bathroom.

Here is another persona of Form 300. Its clean-cut modules fit right in with diametrically different bathroom spaces. Placed in a residential or professional setting, you'll be convinced Form 300 was designed explicitly for its environment.

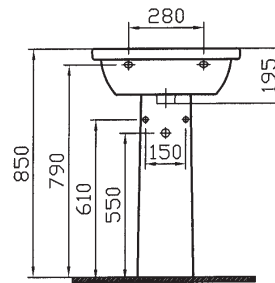

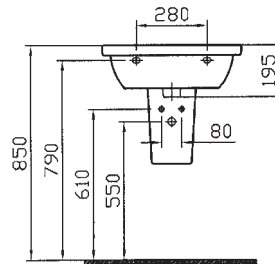

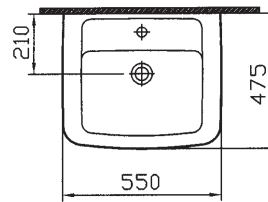

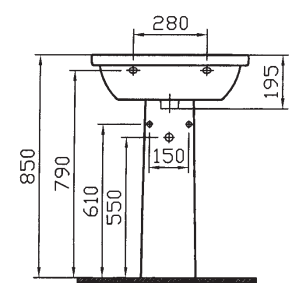

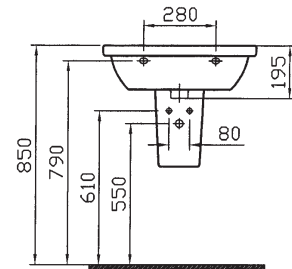

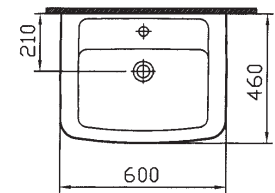

45, 55, 60 and 65 cm washbasins offer greater flexibility in interior design. A wall-hung WC pan with concealed cistern is available for optimal space use and improved hygiene.
